Sunday, August 22 (to be confirmed still) - Sutton Common: 2:00 Start time

*This year, I plan on handling music much different than in the past. You will have a folder put together with original parts stored in the MHS Band Room. You may not take this music out of the band room under any circumstance. If you need to practice, please show up a little early to practice, or sign up requesting to have a copy of the part/page that you need copied to take home. I spend way too much time in front of a photocopier and I am trying to fix this.
