Spring 2009

Would you like to take a step back into the Olden Days? We just might have the opportunity for you! By popular demand we are bringing back the Millbury Sutton Summer Community Band. The group is open to anyone from the towns of Millbury and Sutton entering grades eight through adult. Last year we had over 40 students, siblings, parents, cousins, teachers, faculty, and community members participate for a wonderful season.

We will rehearse one night a week, Tuesdays 6:00-8:30 P.M. in the Millbury High School Band Room and perform two concerts during the course of the summer. Rehearsals will begin June 23. Please see the calendar page for a full schedule on the Millbury Music Department Website.

The concert dates and details are still being finalized and will be released as soon as possible. I have tentatively scheduled 3 performances and am waiting for confirmation on the other two. There will be a one time participation fee of \$10 to help reduce our expenses. For those that qualify we will waive a fee so it is buy one get one free for immediate family members to encourage more people to join. If anyone knows of any business that would be willing to help us out please have them contact me as we are not being funded by any grants this year. We did not get selected to participate in the Sutton Sunset Concert Series this year, but we will still be performing a concert on the Sutton Common. We will need all the help we can get to make this year happen, but I am sure we can do it.

Dust off those old horns and come have some fun as we venture through two separate concert programs challenging people of all levels. We hope that you will join us with the band, or attend the concerts to help support one of the many great things happening in our community!
